

Singing with Trisha Pope

in the African-American Tradition

ENJOY A DAY OF FUN AND INSPIRATION

Singers and non-singers alike will share the common experience of singing in the African-American oral tradition of call-and-response. We will be singing chants, calls, spirituals and gospel music.

This is a music of hope, faith, renewal and freedom.

Workshop is open to everyone and anyone - regardless of experience.

No sight-reading necessary.
